Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Applicant acknowledges and appreciates a telephonic interview on December 15, 2008 between its patent counsel in this matter, Eduardo Drake, and Examiner Jeremy Engelskirchen. In the interview, the Examiner proposed an Examiner's Amendment to place the application in condition for allowance. Specifically, the Examiner proposed to amend the preamble of claim 126 to recite a graphical user interface stored on a machine-readable medium and thereby avoid a potential Section 101 issue. Further, the Examiner proposed to cancel claims 127 and 129. Mr. Drake agreed to and authorized these amendments on behalf of applicant.

If necessary, please charge any additional fees or credit overpayment to Deposit Account No. 19-0743.

Respectfully submitted,
